CALTRANS PAVEMENT WORK TO CLOSE ONE LANE ON ROUTE 79

RIVERSIDE COUNTY – The California Department of Transportation (Caltrans) will be working to repair pavement along a 10-mile segment of Route 79 near Aguanga. Each day, starting Tuesday, June 15 to Thursday, June 17, Caltrans crews will pave short segments between the hours of 7 AM and 3 PM. Motorists will have access to one lane while flaggers stop northbound traffic to allow southbound traffic to proceed through the construction zone and visa versa. Short delays of possibly 10 minutes can be expected.

Closures will be in effect on the following schedule:

- ◆ On Tuesday, June 15, 2004, one lane will be closed from Los Caballos Road to Anza Road.
- ◆ On Wednesday, June 16, 2004, one lane will be closed from Dripping Springs Campground to Vail Lake Road.
- ◆ On Thursday, June 17, 2004, one lane will be closed from Sage Road to Temecula Creek.

Caltrans thanks motorists for their patience and cooperation during this highway maintenance project and reminds everyone to slow for the cone zone.
